

## Curriculum Vitae

### **Edouard Cabay**

Architect

Registered in Spain since 2006

Nationality: Belgian

N.I.E: X-7696844-D

Date of birth. 17.09.1979

Telephone: +34 678 128 994

e-mail: edouard@appareil.es

Architect's Registration Number (COAC): 49479-8

Edouard Cabay is a registered architect at the Catalan College of Architects in Spain and is graduated from the Architectural Association School of Architecture in London.

After gaining professional experience in Foreign Office Architects in London and Anorak in Brussels he worked as head office for Cloud 9. In 2011, he founded Appareil in Barcelona; architectural office developing architectural and research projects both in Spain and abroad.

In parallel to practice, he teaches at the Institute of Advanced Architecture of Catalonia in Barcelona as Studio director and as Studio director at the EPFL in Lausanne. He has taught at the Architectural Association School of Architecture as a diploma unit master between 2010 and 2013, as invited and associated professor at the Ecole Speciale d'Architecture in Paris from 2012 to 2015 to and at the IAAC as Faculty of digital fabrication.

He currently directs the AA Visiting School in Barcelona and a yearly digital fabrication workshop for the EPFL in the Self-Sufficient Lab of Valldaura. Edouard Cabay has lectured and ran workshops in Mexico, Spain, Colombia, Iran, Morocco, Serbia, Italy, France, Belgium, Holland, Serbia and Singapore.

---

## Professional Experience

### *Built Projects*
